Retreat

October 5-7 2018

What brings you to life?

Session 1: Friday 6:00 pm –
Saturday 5:00 pm

Session 2: Saturday 5:00 pm –
Sunday after Lunch

The Rev. Debora L. H. Jennings,
Facilitator

As with all our retreats, this topic was chosen by those attending our retreats.

During our time together Mother Debora+ will lead the group in discussions and reflections on what brings us to life – emotionally, physically, and most importantly – spiritually.

We will also spend time creating our spiritual autobiographies which we will share in small groups.

Feel free to bring photos or anything that will help you talk about your spiritual journey.

Be sure to bring paper, pen, journal, and whatever else you may need for your time away.

We will also have time to hike, to walk the labyrinth, and to take advantage of all that St. Crispin's has to offer!!

Bring comfortable clothing and shoes.

Be ready for rain, snow, sunshine, cold rooms, warm rooms. . . .well you get the picture!!!!

St. Crispin

St. Crispin and his brother Crispinian were Martyrs of the Early Church who were beheaded during the reign of Diocletian; the date of their execution is given as 25 October, 285 or 286.

When offered to save their lives by turning from Christ they said:

"Thy threats do not terrify us, for Christ is our life, and death is our gain.

Thy rank and possessions are nought to us, for we have long before this sacrificed the like for the sake of Christ and rejoice in what we have done.

If thou shouldst acknowledge and love Christ thou wouldst give not only all the treasures of this life,

but even the glory of thy crown itself in order through the exercise of compassion to win eternal life."

Their feast day is October 25th.

They are the patron saints of saddlers, shoemakers, and tanners.

Friends, during this time of anxiety and division in our country, may we, like Crispin, embody compassion, for the sake of the Gospel.
